

PRODUCT OVERVIEW

SHADEFX PERGOLA KIT

Transform your outdoor area with our ShadeFX Pergola Kit. The kit includes a retractable canopy that not only provides adaptable shade, allowing you to enjoy just the right amount of sunlight, but also enhances the style and function of your deck, patio, or poolside. Ideal for hosting gatherings or enjoying tranquil solitude, its elegant design elevates any space.

The kit is designed for ease of assembly, enabling you to create a premium outdoor structure that fits perfectly within the dimensions and aesthetics of your home. With comprehensive instructions, you can construct your pergola with little hassle, making it a true extension of your living area.

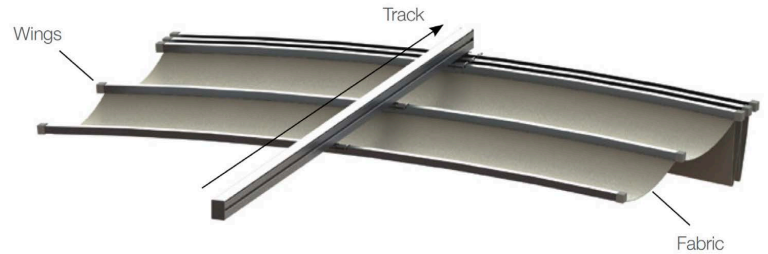

WHAT'S INCLUDED

RETRACTABLE CANOPY

Enjoy flexible shade with our durable and easy-to-operate retractable canopy available in hundreds of colors and patterns to suit your style.

BRACKETS AND FASTENERS

Beam corner brackets and post base brackets along with the required amount of stainless-steel wood screws with black plastic head caps.

WHAT'S NOT INCLUDED

WOOD

Using locally sourced lumber not only lets you choose the ideal wood for your project and budget but also ensures that you select species best suited to your regional climate.

ANCHORS

Anchoring hardware depends on the mounting surface and material, as well as local building codes. We will work with you to identify the appropriate anchoring hardware for your project, which in most cases can be sourced locally alongside the wood.

PERFORMANCE AND FLEXIBILITY

WEATHER PROTECTION

Our canopies feature water-resistant and water-repellent fabrics, providing full protection from sun and rain. They effectively direct rainwater off the sides of the pergola, keeping the space beneath cool and dry.

DEPLOYMENT FLEXIBILITY

Whether you prefer a freestanding four-post pergola, one attached to your home, or multiple units combined for larger spaces and coverage, our kit accommodates various installation needs.

INSTALLATION OPTIONS

SELF ASSEMBLY

Our kits are engineered for easy assembly, featuring detailed instructions that make the installation process simple and hassle-free.

PROFESSIONAL SERVICES

For those who prefer not to install themselves, we offer professional site assessments and installation through our network of skilled local partners, ensuring your pergola is set up perfectly.
